GENERAL INFORMATION AND GUIDELINES

The Orillia Area Community Development Corp. (CDC) is a community sponsored and managed non-profit organization designed to foster the creation of new jobs by helping business start-ups, maintenance or expansions. Loans of up to \$250,000.00 are available for this purpose. The Corporation tries to be as flexible as possible in lending where traditional lenders cannot fill the entire need. Consequently, it depends on a sound business plan in approving loan applications. Our Corporation operates under the following guidelines:

- eligibility for financial assistance is based on the number of jobs being created;
- there must be an investment of some personal assets (cash or otherwise);
- Personal guarantees of shareholders (for incorporated companies) are required. Personal guarantees of spouses (for sole proprietorships and partnerships) are required.

APPLICATION PROCESS

1. The Orillia Area Community Development Corp. has adopted a two stage application process. If you are successful in moving to stage two, you are required to complete a business plan. If you submit a business plan in your own format, you must also include a Loan Application form, or you can submit the Business Plan Loan application Form. There is a minimum application fee of \$300.00, which applies if your loan is approved.
2. Your business plan/application will be circulated to the Investment Committee members for their decision on management abilities, financial viability, and loan security. The interest rates are set by the Committee and can range between the CDC Base Rate and the CDC Base Rate + 6.00%. The CDC Base Rate shall be no lower than 5.00%. If the Canadian Prime Lending Rate charged by Canadian Chartered Banks rises above 5.00% then the CDC Base Rate shall be adjusted to equal the current Canadian Prime Lending Rate. The interest rate charged by the CDC will reflect the risk and security of the loan and the applicant's business and credit history.
3. You will be advised by the Loans Officer if your loan application is accepted or rejected. It may take up to 3 weeks after receipt of completed business plan to determine if your application is approved or declined.

WHAT HAPPENS ONCE A LOAN IS APPROVED

1. Legal documentation is prepared in the following manner:
 - (a) If the security is to be in the form of a General Security Agreement (lien on company receivables, inventory and equipment) and the business structure is a simple one, CDC staff prepares legal documentation for your signature. Guarantors may need to seek Independent Legal Advice from their lawyer.
 - (b) If the security includes a mortgage on land, or in other complicated situations, the CDC will prepare the documentation and forward it to your lawyer for your signature. The lawyer will prepare and register all mortgage documents. You will be responsible for the fees of the CDC's lawyer. The process may take up to an additional four weeks.
2. You will be required to submit regular (monthly or quarterly) financial statements to the Loans Officer for review. If your statements are not prepared to the satisfaction of the Corporation, you will be required to obtain a bookkeeper or accountant acceptable to the CDC.
3. Pre-authorized debits are required for loan payments and can be processed on the first or fifteenth of each month. Any payments that are returned due to insufficient funds, account closed, account frozen, etc., are subject to a **\$40.00 charge**.

NOTE: As the Corporation is financially supported by the Government of Canada, representatives of the Minister are permitted access to all client files for monitoring and evaluation purposes. You may be contacted from time to time by representatives of the Minister as part of the evaluation of the performance of the project. All client files are held in strictest of confidence and files will not leave the CDC office without prior consent of the client.
